Dear Mickey,

I am working on the docu-drama film you'll read about. Your letter and your proposal did arrive in time when I have a strong support from Union of Filmmakers of the USSR. So, please, repeat your proposal, but address it to Union of Filmmakers and invite them to make co-production based on your proposal. If you want, you can choose a concrete film studio on your side. Here I can arrange it *in* a minute...

You can call Mr. Alexander Singer, Director, /213/476-7555, *Los Angeles*  
989 Bluegrass Lane. He can help.

I am sure we can launch this co-production asap.

Thank you for <sup>a</sup>letter and proposal,

Be in touch

Josep

*Joseph*

PS In your letter to Union of Filmmakers you call me a Script - writer and *entitled*  
Project Coordinator. They do not like *TV*...
